**Thank you for downloading these free party printables!**

## **How to print and use these party printables**

Print the PDF on cardstock paper using a quality color printer.

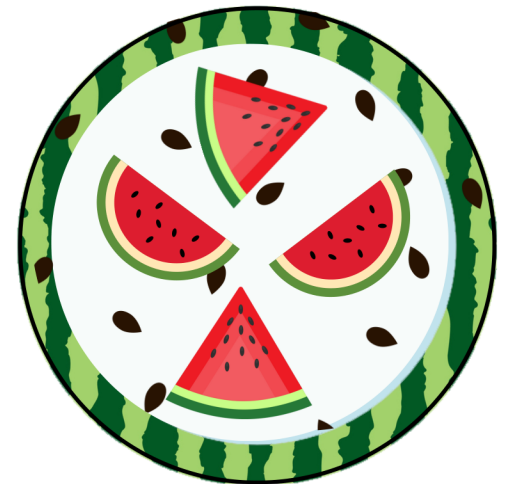

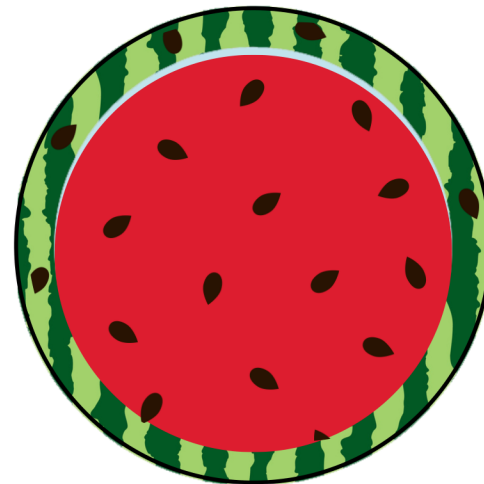

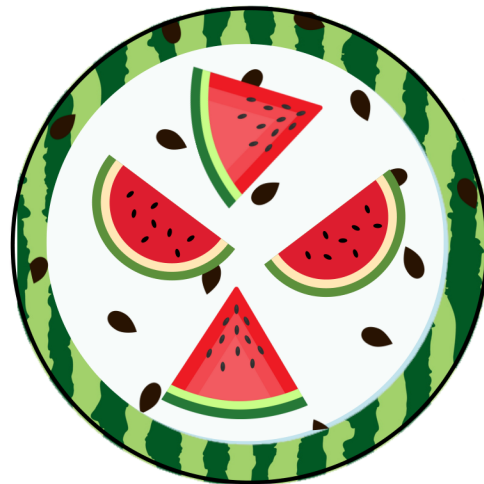

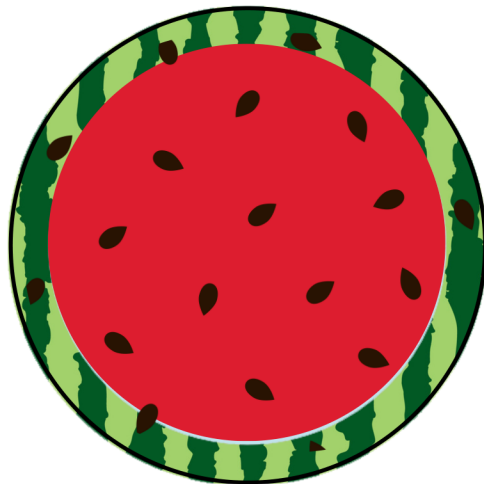

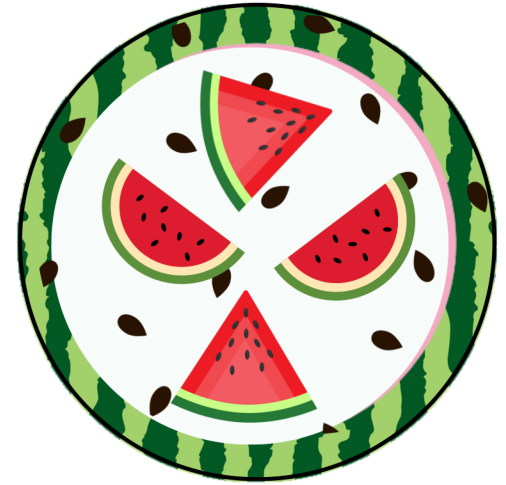

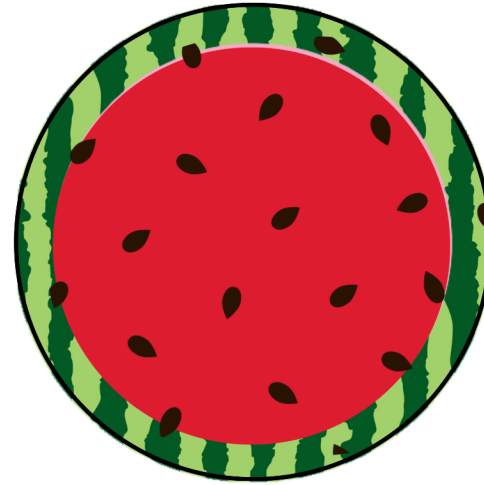

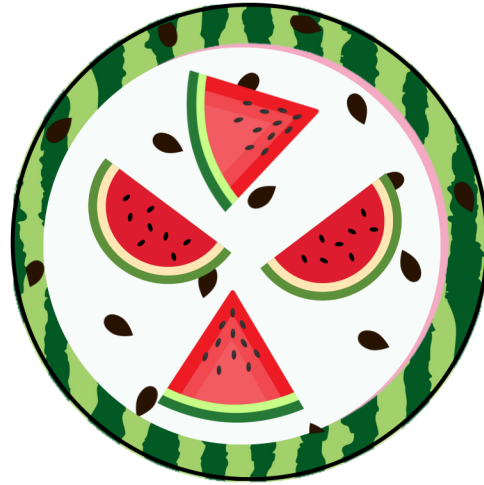

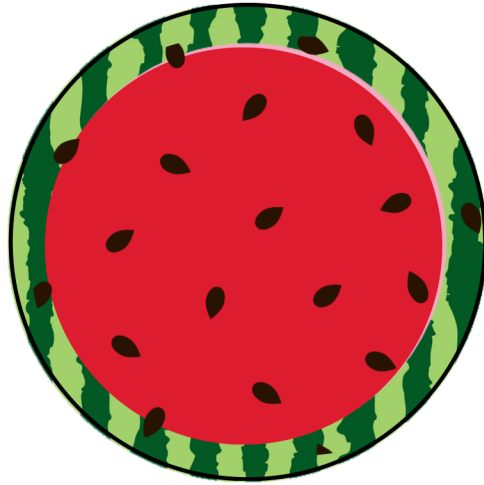

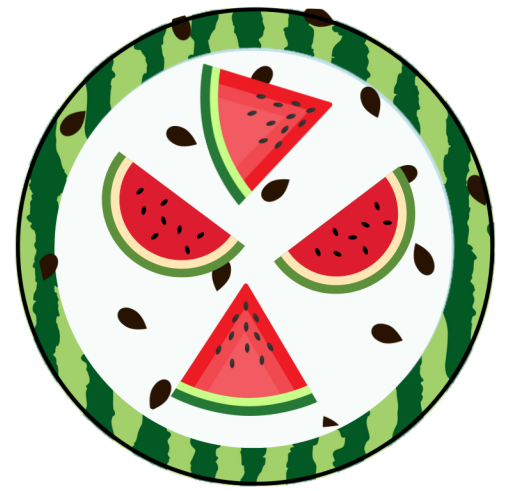

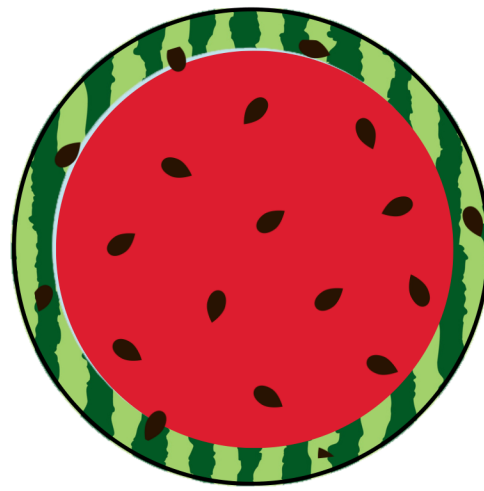

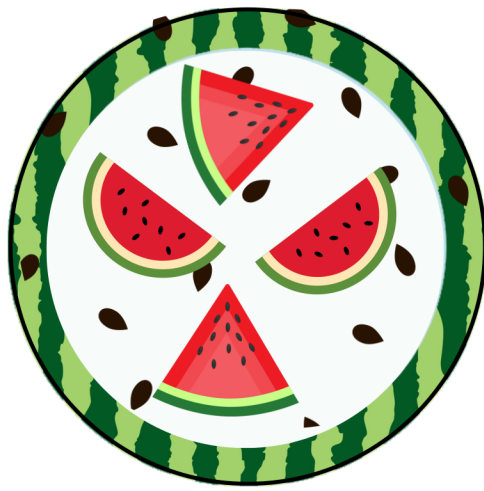

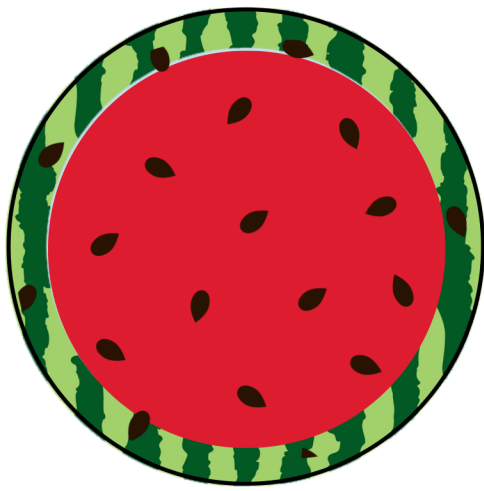

Cut out each of the elements on the page.

Personalize and add necessary info to the invitations. Hang decorations around your house or venue. Add the food item cards and items to the corresponding food.

Put out the activity pages so that each of your guests will have something to do during the party.
